Chair, Publication

Dr. Mohammad Salih

Chair, Membership

Treasurer

Dr. Shahid Rasool

Executive Council:

Prof. Tassarwar Hussain
Prof. Ghias-un Nabi Tayyab
Prof. Muzaffar Latif Gill
Prof. Abrar Shaikh
Prof. Sadik Memon
Prof. Qazi Masroor
Dr. Bakht Biland
Dr. Lubna Kamani
Dr. Adil Naseer

We are pleased and honoured to inform our colleagues that the Pakistan Society for the Study of Liver Diseases (PSSLD) will be holding its “14th Annual Conference of PSSLD” from 11 - 13, December 2020, at Movenpick Hotel Karachi.

As the meeting is being held in the year 2020, and considering Pakistan's leading position in the fast cricket T20 game, we have chosen the theme of the meeting as ‘Quick Decisions in Hepatology: A 20-20 Game’.

The conference will include interactive symposia, lectures and clinical vignettes on viral hepatitis, NAFLD, autoimmune liver diseases, hepatocellular carcinoma (HCC), portal hypertension and liver transplantation. The meeting's content and activities are tailored to a wide audience of gastroenterologists, hepatologists, internists, general practitioners and postgraduate students. The faculty will include eminent national and international experts, who will present updates, original work and state-of-the-art lectures. Technical and clinical problems and their solutions will be discussed.

We urge our colleagues to participate enthusiastically and honour us with their presence. It will be an exciting, educational meet for all. I look forward to welcoming you,

Dr. Zaigham Abbas

President, PSSLD

Chair, Organizing Committee
